London, N.  
13 Jan'y 1896.

(L 1479)

Dear General Pitt Rivers,

It has occurred to me that, although you have my paper on East Cornwall in the Journal of the Anthropological Institute, you may like to have a second copy for official purposes, especially as it contains plans of two important monuments, of which, so far as I know, no other plans have been published.

I therefore enclose a copy for your acceptance with best wishes for the new year.

Yours Very Truly  
A. Lewis
