My Dear Father

Thank you so much

for your congratulations
- I hope you do think
it a cause of con-
gratulation. but I'm
not quite sure you
do. However we are
very pleased with our new

try. We want you
to be Godfather. Will
you? You will not be
expected to hear him
his Catechism or in-
struct him in the vulgar
language. We will get a
deputy assistant Godfather
to the work, & bear

the sins of the young
sinner.

Bessie who is very
well sends her best
love. The baby has
a stomach ache or he
would do the same.
I am so glad you are
keeping well in this
unseasonable weather
