Dear Sir,  
On Saturday evening

I am going to read a paper  
on the English races before  
a Science Club.

I made sure that I could  
obtain from the various  
museums here skulls to illustrate  
the paper, but have been

much disappointed in not being  
able to obtain a long and  
a round-barrow skull.

Two years ago you were good  
enough to lend to my friend  
Dr Parker for the Polish Medical  
Association some skulls from  
your collection.

May I ask whether you  
will be good enough to lend  
me these two skulls - I  
would willingly pay all expenses
