Dear Sir

Mr Herbert S. Lorns, who has applied for the situation of Assistant in this Museum, has given your name to the Committee as a reference.

He states that he has been for three years in your employment as Assistant in your Museum, and that he has been engaged in making surveys, superintending excavations, tabulating reports, and compiling

reports upon the work done.

The Committee will feel much obliged if you will kindly inform them whether in your opinion Mr Lorns has acquired a good working experience in Museum work, including classifying and labelling collections, cleaning Museum objects, & stuffing and mounting birds; also whether you have found him to be industrious, steady and generally trustworthy.

I am, Dear Sir,

Yours faithfully
