

Armitage

21, Park Drive,
Bradford, Works.

L1542

March 28-96

Dear Sir

The article of which I sent you a proof appears in the Yorkshire Archaeological Journal for 1894, and I have written to the Secretary of the Society, and asked him to send you a copy. If you do not receive it in a few days, will you kindly let me know, and I will see that you have it.

Yours faithfully
Ella S. Armitage
