WITCHAMPTON,
WIMBORNE.

near 29th / 16.

Dear General C P. H. Rivers,

I certainly advised
my man Soar in Town that
your picture would reach him
& said I would send him
further instructions & labels ^{for the RA.} -

These he got last Thursday
& on Friday the portrait was
duly delivered at the Academy
along with another I have
sent. I always like when

WITCHAMPTON.

WIMBORNE.

possible to let them go
in the first day as there
is less crush & I know
the frames are handled more
gently.

Believe me to be

Yours very truly,

Edw. S. Beaumont.
