Dear Sir,

I am applying for the
post of Hon. Dental Surgeon
to the Dorset County Hospital
& venture to ask for your
kind support.

I am the only candidate
who has the honora Degree
& who is a resident in Dorchester.

I beg to enclose a copy
of my testimonials

I am

Yours obediently

C. B. Prudhouse

BRIDGE HOUSE,
TAUNTON.

To the General Committee of the Dorset County Hospital.

I have great pleasure in recommending Mr. C. S. PRIDEAUX for the post of Dental Surgeon to the Dorset County Hospital, I look upon him as a very capable and conscientious practitioner and from my knowledge of his character (gained while he was a pupil with me), feel sure that he will devote his best energies to any work he may undertake.

ALFRED KENDRICK,
L.D.S., R.C.S., ENG., &c.,
*Hon. Dental Surgeon Taunton and Somerset
Hospital.*

GWENDA HOUSE,
BRONDESBURY PARK, N.W.

Mr. C. S. PRIDEAUX was always a careful and thorough worker at the Dental Hospital of London. From my observation of the way in which he treated the patients there I should consider that if elected to the post of Dental Surgeon, he would speedily secure the confidence of the staff and would prove a valuable acquisition to the Dorset County Hospital.

MY LORDS, LADIES, AND GENTLEMEN,

It having been decided to appoint an HONORARY DENTAL SURGEON on the staff of the Dorset County Hospital, I beg to offer myself as a Candidate, and to solicit your vote and interest.

I received my Professional Education at the Dental Hospital of London, and the Charing Cross Hospital Medical School, and hold my Diploma in Dental Surgery from the Royal College of Surgeons in England.

I am a resident in Dorchester, and should you honour me by electing me to the post, I shall do my utmost to fulfil the duties of the office, and to further the general interests of the Hospital.

I remain,

My Lords, Ladies, and Gentlemen,

Your obedient servant,

CHARLES S. PRIDEAUX,

L.D.S., R.C.S., Eng.

134, HARLEY STREET, W.

Mr. C. S. PRIDEAUX studied at the Charing Cross Hospital Medical School between May, 1892, and November, 1894, when he obtained his L.D.S. He bore an excellent character for steady work, gentlemanly conduct, and pleasantness of manner. I believe that he is well qualified to fill the post of Dental Surgeon which he is now seeking; and I feel sure that personally he will be much liked both by patients and colleagues.

STANLEY BOYD,

M.B. LOND., B.S., F.R.C.S. ENG.,

Late Dean of Charing Cross Hospital Medical School, &c., &c.

22A, CAVENDISH SQUARE, W.

To the General Committee of the Dorset County Hospital.

GENTLEMEN,

I can with every confidence recommend Mr. C. S. PRIDEAUX for the post of Dental Surgeon at your Institution. As a Student, he was hard-working and conscientious in the performance of his duties, and from my experience of him I have no hesitation in saying that any duties he may undertake he will conscientiously perform, while at the same time he will be a pleasant colleague.

MORTON SMALE,

M.R.C.S., L.D.S. ENG., L.S.A.,

Examiner in Dental Surgery, R.C.S. Eng.; Dean of the London School of Dental Surgery Dental Hospital of London; Surgeon Dentist St. Mary's Hospital.

17, GEORGE STREET,

HANOVER SQUARE, W.

I have great pleasure in bearing my testimony to the high ability and conscientious work of Mr. C. S. PRIDEAUX, a former Student of the Dental Hospital of London. Mr. PRIDEAUX is not only interested in the scientific parts of his profession, but his tastes have led him into research in the fields of Geology. I am convinced he would prove an agreeable Colleague and desirable addition to the staff of the Dorsetshire County Hospital.

STORER BENNETT,

F.R.C.S. ENG., L.R.C.P. LON., L.D.S. ENG.,

Dental Surgeon and Lecturer on Dental Surgery to the Dental Hospital of London; Dental Surgeon and Lecturer on Dental Surgery and Pathology to the Middlesex Hospital.

26, WIMPOLE STREET, W.

I have very great pleasure in saying what a good opinion I have always held of Mr. C. S. PRIDEAUX when he was a Student of the Dental Hospital of London. Mr. PRIDEAUX's work remains in my memory, although he was one of an exceptionally brilliant year, and I feel convinced that he would be an able and conscientious officer, and do everything he undertook thoroughly and well.

ARTHUR S. UNDERWOOD,

M.R.C.S., L.D.S. ENG.,

To the Committee of the Dorset County Hospital.

GENTLEMEN,

Mr. C. S. PRIDEAUX has been known to me ever since he joined the Dental Hospital of London, and I can say with every confidence that he was one of the most painstaking men we have ever had. He is a thoroughly good all-round Dentist, and he has, what is very requisite in such an appointment as yours, a good knowledge of those many cases in the borderland between Surgery and Dentistry. I can with every confidence recommend him to you as a most suitable gentleman for the post connected with your Institution.

Yours sincerely,

J. F. COLYER,

L.R.C.P. LON., M.R.C.S., L.D.S. ENG.,
