Dear Sir,

It has been arranged that the above named Society shall meet this year - 4th 5th or 6th August - at Sherborne, under the Presidency of Mr Wingfield Digby M.P. One of the most important places which it has been suggested should be visited on the occasion is Cerne Abbas, which I am informed is your property.

May I ask that you would kindly consent to the Society going there on the occasion?

Yours faithfully
James P. Bramble F.S.N.
