

85517

2, St James' Square,
S.W.

5 May 96

My dear General

I had heard nothing
about the Committee till
I received the printed
notice.

I shall go if I can
but at present am
laid up with gout. I
hope you are fairly well.

2. 21 James' 2 doors.

Thanks for the
account of the Golf
ground. You seem to
spare no expense on
it!

Yours very truly
John Lubbock
