Hermost Will Rivers.

Dear Sir,

I wish we could have an

Account for "Pensions" at Lanner
Lane, but it is better not to do it
all than to give an incomplete
performance. Our members would
have been pleased to help you
to make the Whit Monday pro-
gramme a success. You know how
desirable for the people in this
County that at any time I can
be of service. it will give me
pleasure to do so.

With "Cox & Box" we do not
require much ceremony.

Le Com de culte a Paris. Le
Hammami.

Thanks you for sending me
a copy of the Exhibits of last
year. They are most interesting,
and the Catalogue I shall
take great care of.

Believe me

Yours faithfully

W. Rivers.

Mayor.
