Dear General Pitt Rivers.

I am requested by Mr Comwell
of the Church of England Temperance
Society of this Parish to write and ask
if there will be any special
attraction - or how so often kindly
provide for his entertainment & expenses -
at the Harvest Tea on Whit week.

We literally have an 4 curdies about

this time of the year and - there seem

to be a desire to visit the harbor

There is no forthcoming records.

I would trust to your kindness to

harder my time working you - but I

do not know to whom I could otherwise

copy.

Yours very truly
