Dear General Pitt Rivers.

I ought to have acknowledged before  
the receipt of the Catalogue  
of Pictures exhibited at Salisbury  
and the Residence of James Esq of Salisbury  
what you would send me, and  
have placed them in the Society's  
Library - When I see under the  
heads of plates for excavating  
if you have any of the sort  
going at present.

I am fully yours

Ed. H. Goddard.
