Alvediston Vicarage
Salisbury.
June 9/96.

Dear General Pitt Rivers.

I thank you very much for
the Catalogue you so kindly sent me of
the collection at The Farm last year.
We have regretted very much we did not
send some more things.

I have measured the road
from above North Lodge via The Drove
and Alvediston to Ansty, and also
via Ferne and via Whitesand Cross.

I make the distance via Alvediston
to Ansty Cross $4\frac{3}{4}$: exactly the same
as via Ferne, as Mr Pitt Rivers said,
