Dear Mr. Pitt Rivers

I am so sorry
to hear that you are
shut in until!

My dream was that
at your convenience you
might have gone down
to see the town, when

I am moderately well
assured that but for
Hankinson would have
opened it to you. If
this cannot be, I
will be happy from
you write to say that
you are greatly interested
about it & would like
to know all particulars
of its discovery & of any

other details he can
pic. and that of the
Kantonsen could be
his way to present it
to your Museum. (I am
I wish!) it would have
an honorable place with
an inscription as to the
Down & its surroundings!

What do you say to
the diplomatic policy?

I shall see Mr
Kantonsen shortly
and shall like to argue
with you very soon.

But I don't like
to trouble you if you are
not at work!

Yours friend

W. M. Davis
