Surbiton.

Dear Sir

As Mr. Shaw has been unable to write to you himself before sailing for India I am venturing, at Mr. Ruder's suggestion, to trouble you with a request on his behalf.

You were so good as to say a few months since that you would be willing to give the Plates illustrating your

paper on the Arts of the Auda-  
Manese & Nicobarese for publica-  
tion in W. Mann's monograph on  
The Andamanese provided a  
sufficient number yet remained  
at South Kensington

The Museum authorities in-  
formed W. Mann that they  
had still 260 copies on hand  
I trust therefore that you will  
pardon the liberty I am taking

in asking you again if you will  
kindly consent to spare 200  
copies & will allow them to  
be sent to W. Rudler.

Apologizing for the trouble I  
am giving you

I am dear Sir

yours truly

A. J. Mann.
