Dear Sir.

I am taking the
liberty of writing to you
on behalf of my son
Edward Wynn Shaw

the Scholastic time - &
living at Eastbourne
& M.A. Cantab. to ask
if you would be kind

group - tho' you do not
know him personally, to
support his candidature
for the Geological Society -
he tells me that he has been
proposed & seconded by
Mr. Andrews & Mr. Perry Hallam
"men well known", he says, "in the
Geological world" - & would
be glad of a third & fourth
supporter - who he says, "need
not have a personal

knowledge of the candidate.
If you will kindly accede
to my request - as you know
my brother at Compton, &
I have also some times
had the pleasure of
meeting you - I shall be
very much obliged - you
can either seek some
or direct to him at
87 South Street
Eastbourne.
I remain - Dear Sir
