Sir May I ask  
if you is in your  
program for this  
Autumn? I think  
that I have found  
out an old camp  
at the end of the  
Giant Hill, north of  
Lynn, viz. Dogbury  
Hill.

I have at the present  
moment a very large  
barren open, on the  
top of Sep. way Down  
on the Ridgeway, &

should be glad if  
you could see it  
before it is again  
closed. It is 11 1/2 feet  
diameter, & I have dug  
down in the center  
13 feet. I have found  
2 articles in gold  
1 bone ornament  
1 bone needle  
3 bronze spear heads  
1 bronze salt, with  
a piece of manufactured  
fabric on it. & a  
few other things  
I have not yet got  
to the end of the

heap of stones that  
fills around below  
13 feet

I am Sir  
Yours Obedt servant  
D. C. Cunningham
