Dorchester

Dear General Pitt Rivers.

While doing the repairs  
to the house, we have come  
across this tile, which the  
builder thinks an old  
one. I am therefore  
sending it you as you  
may like to have it.

SALISBURY  
PENNINGTON RECTORY

We like Cheselbourne  
very well but cannot be  
said to be settled, as  
the workmen are busy  
with the roof & generally  
overhauling.

The house is quaint -  
& picturesque & the

Church is very interesting.  
Some day, perhaps, you  
may see them for your-  
self.

Mr. Beesley joins me in  
kind regards to Mr  
Pete Rivers & yourself

Yours faithfully,

J. D. Beesley
