Dear Sir

I enclose the paper for  
the geological Society  
which you were kind enough  
to promise to sign for  
me - would you  
please return it to  
me here & I will then  
fill it in & forward it  
on -

Please pardon me for

giving you so much  
trouble, & let me  
thank you very much  
for so kindly supporting  
my candidature -

I am  
yours truly
