Dear Mr. Mansel-Pleydell
I have been in Somerset
valuing some farms for
Lord Portman, and only
returned this morning
from Weston Mallet, where
your letter of the 14th
reached me today -

It is very kind of you
to think of me, and I shall

be very pleased to advise
Genl Pitt-Rivers upon any
matter in connection with
his estates, and would be
over to Rushmore to see him
upon the subject—

As you know, I am a
very busy man, and I
should be obliged if Genl
Pitt-Rivers would give me
the option of 3 or 4 days
convenient to himself, so
that I could select one

that would fit-in with
my other appointments.

With kind regards

Believe me,
Yours very faithfully
Geo. Allen

My dear General Pitt Rivers

I am enclosing Mr Allen's reply. I am glad to find Lord Portman is calling him in as well as his address. I have forgotten times I hope he will get you out of the net they are trying to enclose you with. I am as ever your most sincere
W. Marshall-Pleydell
