My dear General
I have signed
Budget's certificate
& forwarded it to
Dylov.

at the moment
I cannot remember

where I got
the Egyptian
Kunze figure.
When I get home
I will look it up,
& write again.

Douglas has
just arrived, & we

ourselves are back
to day from a little
visit to the Hambro's
in Forfarshire.

We are looking
forward to our
visit to Rushmore.
