Dear General Pitt-Rivers

In reply to your letter
received this morning,
it is my rule never to
talk about any business
that is entrusted to me,
I should never dream
of expressing my opinion
to outsiders as to the value
of any Farms which I am

asked to inspect - My
business for you is entirely
of a Private Nature, and
after I have been over all
the Farms I will send
you my Report & Valua-
tion, which was the
arrangement made on
Tuesday last when I was
at Rushmore -

Am I right in
inferring from your letter

that you do not wish me
to tell Mr. Cress my
opinion of the respective
Rental Values, but that
the information should
come direct from you after
receipt of my Report -

Perhaps you will
kindly drop me a line
as to this -

& Believe me

Yours faithfully
Geo. Allen

Dear Sir

I shall be obliged to
you to send me by return
of post the papers relating
to the farms that I gave you
when ~~you~~ putting the valuation
into your hands. I cannot identify
the farms clearly. It was
of course an understood
thing that your recommendation
was to be strictly private &
not to be communicated to
Mr. Creech. I intend to keep

Your reports entirely
private & communicate
them to no one, not even
Mr. Creech

Yours truly
A. H. Rivers
