Dear Gen^l. Pitt-Rivers

My communication to
the Brit^h Assoc. at Liverpool
is not printed, so I cannot
have the pleasure of
sending you a copy.

A fairly long abstract
was made for the Report,
and I am asked to
submit the paper to
the Anthropological Inst^l.

I think of doing so as

soon as I can find time
to write it out.

I am very sorry that
you are unable now to
be with us at the B. A.
meetings. With kind
regards

Very truly yours

J. H. Gladstone
