To General Pitt Rivers.

Sir. Enclosed please find  
4 stereoscopic Views which I  
had the pleasure of taking whilst  
on a visit to the Larmer Tree  
Grounds, with the Choir of  
the Lansdowne Baptist Church  
of Bournemouth - The weather  
was wet & the wind  
unfavourable for photography -  
I only exposed the 4 plates  
from which I obtained these  
prints. I think I never  
enjoyed myself more than I  
did when I visited your  
grounds. Thanks to you -  
Yours respectfully,  
A. Ernest Smith. F.R.P.S.
