My dear General

M^r Pitt Rivers
writes also that you
could not find the
Brit. & Amer. Mart. 5th
Prof Share in the Times
but.

The Times only mentions
stocks in which business

has been done on the
particular day.

I enclose the official
which please return
list, & you will find
it on P. 7. I have marked
the place.

We enjoyed
our visit very
much; & the links

are certainly
excellent.

I am

Yours very truly
John Lubbock
