Oct 26

My dear Sir

At last we have Ballas  
published for the subscribers to  
the Research Account; but  
as you have done so much for  
it allow me to send you the  
larger edition Nagada + Ballas  
which includes all my own work  
on the same subject, as well  
as that of the Research Account.

Yours sincerely,

Wm. F. Petrie.

General Pitt-Rivers
