My dear General

It is a long time I
have seen you and had the delight
of a talk with you. For I never
know when you and Mr
Pell Moss are in town.

I wonder if I might be impudent
enough to suggest coming to you
from Saturday till Monday.

My wife is going to Bedfordshire
with the boys and I thought that if

You were at home and would not
be bored I should much like to come

I hope you are all very well and
with my kind regards.

I remain

Yours very truly

Henry H. Stow
