Dear Sir

Allow me to
 thank you very much for
 the views of the Larnor found
 you so very kindly sent me,
 they are really most exquisite
 & I shall value them very
 much indeed.

I am sending you
 by this post a small bronze
 article I picked up in
 Cranborne Church yard
 this week, which I ~~found~~ ^{found}

was being dug, by the
foundations of the old
Prison. I thought perhaps
you may know what it is,
& if you would care
to keep it, please do not
trouble to return it

Again thanking you
for your kindness
I am, your very obediently

Tom. H. Jones
