I want them to go to best  
quarters - There are 181  
illustrations - among which  
are one of your specimen

SR

Have some  
sketch of  
a pattern

I do not think anyone will  
take such trouble as I did  
seeing all I could - after  
my service in New Zealand  
itself

If you were in town I  
would like to see my collection  
the best in the world  
it is at 2 Argyll St  
Oxford Circus, and I  
would leave key for the  
Jewellers safe room  
Mr J. Hayward

I am  
Yrs obt
