GAUNT'S HOUSE,  
WIMBORNE.

Dec 8<sup>th</sup> /96

Dear Pitt Rivers

I am about to do some  
planting on Foutwell Down  
over an old dyke on  
what is called Foretop Hill  
For planting the trees,  
holes about 9 inches deep  
would have to be dug.

CAVANT'S HOUSE.  
WIMBORNE.

Would you kindly tell me  
whether in doing so, there is  
the smallest chance of any  
thing of antiquarian value  
being found, or whether  
any record of moved ground  
should be made?

If it would be worth your  
while to visit the spot, my

agent should meet you.

The Dyke is the Western one  
of the two on Forstofs.

Yours sincerely

Richard Glyn
