Dear General.

If you like I
can send you a copy of
"Smokiana"
as I have succeeded in getting
one + should be gratified if you
would accept it. Your book
I treasure very much -

General North's "Pritchett
ammunition" is represented by
3 wo packets in the V. S. Museum
where I found also Vol. II. VIII
1858. Do you know if the
Hon Major North is still amongst
us. Believe me
sincerely
