Dear General

Your letter this morn.

gave me great pleasure. to think
that "The Pritchett Bullat"
after 45 years should be
acceptable to you in the form
of a literary & artistic offering.
Please post me the copy I lent
you and I will send a good copy
which I have just got. fortunately
It is satisfactory when the Trade
are asking for them. Apropos
of Pipes. if you ever find a

"Gave that" clay, which you could
see from me. I should be
grateful, as my collection
lacks a representative of
that Wilshire family.

Pray accept my kindest
regards.

I believe me

Yours most truly

Robt. S. Pritchett.
