Dear Sir,

In your account in *Archaeologia*
47. 2. of excavations at *Caesars Camp*
Folkestone you mention the discovery
of a coin of the reign of *Stephen*

May I venture to ask you in whose
possession the coin now is? I am
engaged on a numismatic history of
that reign and wish to record its
whereabouts

If it is in your own collection I
shall be happy to give you some
information about it which I think
you will find interesting

Yours truly

W. J. Andrew
