My dear General

We are all much pleased

To learn of your acceptance of the
Presidency of the meeting at
Corchester. Noworth will take the Historical Section
Boyd Dawkins the Antiquarian.
Would you kindly let us know the
week which would suit you best
as there is the alternative of the end of
July or the beginning of August and we want
to make arrangements so as not to clash
with local amusements. Should it be

July 27 - Aug 3 or Aug 3 - Aug 10

Yours sincerely
Dillon
