Berewith St John

Feb 3rd / 94 Brass Band

To Gen^l Pitt Rivers

Sir

On hearing of your illness
the above Band did not call
at Rushmore as usual for
your annual subscription
at Christmas. I am taking
the liberty of writing to you
to say that your subscription
would be very acceptable as
we are in need of two new

Instruments. Hoping you
will forgive the liberty taken

Your Humble Servant

E Singleton

Secretary

Berwick St John Band
