

and nearly came to an end the other day. I think it is a most useful little publication for notes & questions which are not important enough for the Wilt. Ant. Magazine - & which if only printed in local papers are irretrievably lost! - If you would help us and get us some South Wilt. subscribers to it would be very kind of you -

Yours very sincerely

Dear General Pitt Rivers.

I hope my Husbands name will be sufficient introduction to you, and that you will kindly look at the accompanying Magazine in which you will find an account of Swanborough Tump.

The finding of Swanborough Tump, has been a great pleasure to me, as I have been trying to answer a very old question.

MS. A. 1. 1. 1. 1. 1. 1.

of the late Canon Jackson's.
as to where the positive localities
of 5 places connected with
Wiltshire Hundreds, were.

I have I think run Kingsbridge
to ground - & now Swanborough
is settled.

Several friends have proposed
marking the site of the Tump
by some inscription; so that

it may be protected; and I should
very much like to know if
you think this feasible.

The owner of the land is
Mr. Grant Meek - Devizes.
Perhaps a note from you or
from Sir J. Lubbock would
interest him in the matter of
marking the spot.

I also want to ask you if
you would subscribe to the
Magazine - Wilt's Notes & Queries
It has not enough subscribers
