

27th October 1882

(L18)

Dear General Pitt-Rivers
in a separate packet
Herewith I send you
Text & Plates - Proofs for
revision & return to me,
& to be sent on by me to
Printer & Lithographer
respectively -

I submit whether the
Plates of Objects should
not have introduced into
their titles the word

"Folkestone" as the Plates
of Plans have, - for
there are many "Caesar's
Camps" in England -

In your "Mount Caburn"
Plates you have added
your name or initials as
draughtsman - That point
I leave to you, merely
mentioning in case you
should have forgotten it -

Yrs faithfully

A. J. Milman
Dir. S. A.

To Major Gen. A. Pitt-Rivers
