30th Dec. 1825

Sir,
I am much obliged by your letter
of 26th Dec. offering to assist in the
proper restoration of the Atkins' moun-
ments, - I would suggest that you
communicate with Mr. New, F. W.
Atkins Bowyer - Harpden Court
Henley on Thames. - The Lord of the
Manor - It would cost probably
about £15 to bring the Statuary
to the surface - and then something
might be done - I am sorry to say
that so far Mr. Bowyer has not
seemed favorable to any steps being
taken - and has written me a letter
which I regret much to have
received from him - The works
are of much artistic value -

I am Sir yours, obdly
G. Pitt Rivers. W. Jones

I'm sorry he couldn't be on Sunday
but if he can let the
General see the Monument
next Monday he will call
at 3 pm in the afternoon
