Dear Sir.

After several years  
of training at the  
Ryl. Coll. of Art. at  
S. Kensington I am  
about to apply for  
the head-mastership  
of an Art School in

the north of England.

I should feel much obliged therefore if you could give me some testimonial as to my character and general abilities during the time ( $3\frac{1}{2}$  years) that I had worked under your supervision at Rushmore.

As I have done no special work under

any other employer, your recommendation would be of great assistance to me I am dear Sir,

Yours obediently,  
Claude W. Gray.
