May 17. 97

Dear Sir

I am writing a book
on Leather Drinking
Vessels, & have heard
that in your cele-
brated collection of
objects relating to
the domestic life
of past centuries, there
are some specimens
of Bladder Jacks or
Leather bottles.

If so, I should be
extremely obliged

650 1000 100
notes
1891

If you could give me
particulars of their
measurement, etc. or
photographs

With apologies for
troubling you

faithfully yours
Oliver Baker

Shown ^{with leather} in several places where
the creases occur.

Shown with loose fibrous material
perhaps string.
