My dear Father

I did not think  
you would mind my making  
suggestions just to show that  
I take an interest especially  
as they were more or less what  
you said yourself when you  
were down here - of course the  
completing of the circuit will  
increase the value of the Property  
at Rushmore, I find there is  
a lot of work in learning to paint

Much more so than in making  
accidental colour sketches  
Of course the higher one aims  
the more work there is - I don't  
know whether I shall ever  
arrive -

Your affec<sup>ed</sup> Son  
Alm Pitt.
