Dear Sir

You have no doubt read in the  
Papers with great regret of the death of  
our distinguished President Sir A  
Wollaston Franks on Friday last the  
21. inst.

The Funeral will take place at Kensal  
Green Cemetery on Thursday next the  
27. inst.

The first part of the Service will be  
performed at S' Andrew's Church Ashley  
Place at half past two in the Afternoon.

It was the expressed wish of our President  
that invitations to his funeral should only  
be sent to near relations, but I venture  
to express a hope that as many Fellows  
of the Society as can conveniently  
attend will be present, at all events  
at the first part of the service.

It was also his expressed wish  
that there should be no flowers.

I am Dear Sir

Yours faithfully

Edwin Prescott

Pres.
