Dear General Pitt Rivers.

I am very glad  
to hear that Agnes is going  
on well after her serious  
operation.

Walker asked me to  
have the plan transferred  
onto Ordnance Sheets  
but the clerk who took  
it in hand found some  
difficulty in reconstructing  
the two. I therefore send  
them to you as no doubt  
your clerk who made  
the first plan will be

able to correct the mistake  
and make the Ordnance  
sheets agree. When this  
is done please send me  
back one copy.

I also enclose the ~~specimens~~  
which please sign and  
return to me and I will  
get Walker to sign the  
other part and send it  
on to you.

Yours truly  
Robert Curzon
