Dear Sir.

I have delayed answering your two letters until I could consult with my colleagues as to changing the date of your address. I fear Tuesday the 3rd is the only date now available without upsetting the whole programme. The hour would be 11.30 or 12 as most convenient to the Mayor for the reception.

I can suggest 12 o'clock to Mr Mayor if this will convenience you in any way otherwise I should say 11.30 as leaving more time for the address.

Yours very truly
Will Stephenson.
