Guide to Larmer
sent to June 14/97.

ST PAUL'S VICARAGE,
BOURNEMOUTH.

June 12th 1897

Dear Sir

I am wishing to
take a party of Choirmen
numbering about 18 to visit
the Larmer Tree either on
Saturday July 17th or on an
earlier Saturday.

I have been trying to hear

of some little book which
will give information as
to the curiosities that may
be seen, but have not yet
succeeded in getting one.

A bookseller here (Brights)
has told me that you may
perhaps be able to put me
in the way of getting the

information needed.

I hope you will excuse
my troubling you. I shall be
much obliged if you can tell
me where I can get a little
book or pamphlet explaining
what there is to be seen.

Yours truly,

E. L. Burrows.

Vicar of St. Paul's.
