

same time. I had a
talk with the clerk to the
Magistrates and he agreed
with me in saying that
no Magistrates would give
the Highway authorities a
license to dig for flints on
land that was enclosed and
as a park like surrounding
to a place like Rushmore
Ages is getting on capitally

Yours affly

My dear General

I am sorry to hear
you have been laid up
with bronchitis again
and but I am glad
to hear you are getting
better. The Magazine of Rebothe

That Gray made out did not quite agree with the 25 inch ordinance map and it was sent you so that he could alter it. Would you sign the provisional contracts as I am

anxious to get the matter settled as I am getting all the same estate transferred from ^{my} ~~house~~ ^{father's} name to mine ^{at the Land Registry Office} and it would save expense if I got Naboth transferred to you at the
