Dear Sir

Many thanks for
your telegram telling
me the Implements
had arrived.
No letter has yet reached
me, but I
merely write to say
that I shall be
happy to present
you with 100

Second class
Implements (for
yourself only)
in addition to the
selected series from
Somaliland, because
I have a great
many of the former
from which I picked
out the best.

I am going on Fri. ev.
to St. Malo,
but on hearing from

you I shall be
happy to pack &
send them to you,
without any further
expense to yourself ^{the}
^{end of next week.}
Indeed I am glad
to get rid of them
I have to stimulate
me to find another
palaeolithic settlement
(in Persia perhaps);

I hope next year to
be able to send you
some Egyptian
axes from the S. Desert
but my latest of them
