WHATCOMBE,
BLANDFORD.
—AND TELEGRAPH—

July 30. 1897

My dear kind friend
I find there is
a County Council Meeting
at Dorchester on Tuesday
& a preliminary one
at 11. O'clock, which
will disagreeably
interfere with my
attendance & I fear
your address which
reaches me at 4 o'clock
on. After showing myself
I will come to the Town.

Hall in hopes of being
able to hear some of
it at least.

I remain

Very respectfully

H. Vincent Ward
