

Blandford Illuminations

Blandford

(L1898)

5th Aug 1897

Dear Sir

at a meeting of the
Queens Jubilee Celebration
Committee held last
evening I was unanimously
desired to thank you
for your kind loan of
lamps for our Illuminations,
my Committee feeling deeply
grateful for the same, which
enabled us to carry to
a successful issue the best
& most elaborate display
of Illuminations ever seen
in Blandford

We feel that we
cannot thank you too
much; & hope that the

Lamps were returned &
replaced to the entire
satisfaction of your Caretaker

I am Dear Sir

Yours obedient Servant
