My dear General

I wonder if you and  
Mrs Pitt Rivers would  
come here for a day  
or two between now  
and the 25<sup>th</sup> when  
we start for Ireland.

I should like to show

You the Stocks and  
Ancient British Village  
near here; but you  
could do nothing  
if you liked.

R. Ferguson the  
Archaeologist comes

here on the 16<sup>th</sup>

Yours very truly

Percy Wyndham

It could be a day or  
two of complete quiet  
and repose
